Board Notes

Now that the summer of 2019 is a matter of history, those refreshing, crisp nights of the fall season are upon us. Thanksgiving and the holiday season will be here before we know it, and our friends and neighbors certainly go all out in decorating for the new season. I love this time of year in our Village!

Councilman David Marks convened a town hall meeting on Monday, October 14th regarding the revitalization of the Joppa Road corridor near Loch Raven Boulevard. Approximately 50 people were in attendance, local residents and business owners alike, and they started what will be an ongoing discussion regarding what the Loch Raven Boulevard/Joppa Road commercial district should and hopefully will become. Here is a link to a good Patch article regarding the meeting:

This is an important issue that will have a direct impact on Loch Raven Village and other surrounding communities.

Twenty-year Village resident and former ALRV Board member Lori Cullinan graciously has agreed to serve as the new Block Captain Coordinator. Consider volunteering to be a Block Captain. The

ALRV MEETINGS

Meetings are held on the
second Wednesday of each month
7:00pm, **Loch Raven Center**
1801 Glen Keith Boulevard, Room 102
*unless otherwise noted in events
calendar; no meeting in August*

Residents are encouraged to attend,
and to help in our ongoing work
“to protect, maintain, and enhance
the property values of Loch Raven
Village homes, and the quality of life
of Loch Raven Village residents.”

— continued from page 1

time commitment is minimal, and it is important to know that Block Captains are not facilitators of disputes among neighbors, law enforcement personnel or vigilantes, or enforcers of County Code or the community's covenants. There are approximately 1,500 homes in Loch Raven Village, and it is Lori's hope that "Block Captains...facilitate communication and help to make this large neighborhood feel like a smaller community."

A few other miscellaneous items of import:

- As most of you are aware, the spring Dumpster Day had to be cancelled this year because Baltimore County lacked sufficient funding to provide the Dumpsters. The good news is that a fall Dumpster Day took place on Saturday, November 2nd. Dumpster Day is but one of the many successful events supported and/or sponsored by the ALRV and truly is one of the many unique benefits of living in Loch Raven Village.
- The Associates of Loch Raven Village (ALRV) voted at the time of its October 9th meeting to direct available funding toward the upkeep and maintenance of the gardens on Putty Hill Avenue between Goucher Boulevard and La Salle Road.
- New banners now have been hung throughout Loch Raven Village. Be sure to check them out; they really add a touch of charm to our Village.
- Sometime before the summer of 2020, Towson Place, the area that includes Target and Weis near Calvert Hall, will be installing the infrastructure for a system to limit shopping carts from being taken off the premises.

Many thanks to long-time Village resident and returning ALRV Board member Gretchen Sarkin for her years of tireless efforts regarding this issue.

These Notes address only a few of the many issues to which the ALRV currently directs its attention. The best way to stay informed is to come to a meeting and maybe consider offering a bit of your time and talent for the betterment of Loch Raven Village. Unless otherwise published in the Village Crier and/or on the Associates' official website, <http://www.lochravenvillage.com/>, the Board of Directors of the ALRV meets on the second Wednesday of each month at 7:00 p.m. in Room #102 of the Loch Raven Center – i.e., the former Loch Raven Elementary School – located at 1801 Glen Keith Boulevard. It takes a Village.

Enjoy the coming holiday season, and look for the next Board Notes sometime in December.

Respectfully submitted,

Gary S. Herwig

Christmas Tree Collection in January 2020

According to the Trash and Recycling Collection schedule, collection of Christmas trees varies from place to place. Therefore, residents must place their trees out by the end of the first week of January 2020. Trees may not be collected on your regular trash or recycling day. See the dotted lines on your January 2020 schedule for guidance. Leave the trees out until collection occurs. Tree only: no lights, tinsel, decorations or stands. Place the tree at the same location where your trash and recycling are usually placed. Past schedules show the dotted lines occurring during the 3rd week of January. In 2020, that would be the week of January 12, 2020 (not guaranteed).

Happy Hanukkah!

COP News

Most police precincts within Baltimore County have an active Police Community Relations Council. The councils consist of community leaders, interested citizens and representatives of the local business community.

Members of the councils regularly recognize individual officers within their precincts through various yearly and monthly awards. In the last issue of the Crier Officer Elizabeth Case was highlighted as having been named Officer of the Year in 2018 by the local PCRC. Some police councils have fundraisers to purchase and provide needed equipment and supplies for their precincts.

Council meetings are held monthly within nearly every precinct command in Baltimore County. The council members meet with the Precinct Commander and other attending police personnel. The Precinct 06 PCRC – Towson meets on the Fourth Tuesday of each month at the Hillendale Resource Center, 1055 Taylor Avenue, Towson, Parkville, Maryland 21234, Phone: 410-887-5933. Our COP is a member of the PCRC.

The public is invited to attend and participate. These meetings are an excellent way to:

- Resolve issues that exist between the community and police department
- Provide an open forum where citizens may bring attention to problems within their neighborhood
- Address issues with the appropriate joint police and community response
- Provide a line of communications where the police department can inform the community of departmental programs
- Provide an opportunity to enlist community help in crime prevention projects
